Min rounds: 12

Ready condition: Standing relaxed on the marks, facing down range. Gun loaded and holstered

HOT SCORING!

STAGE 21

COF: Short course

Stage Procedure: After start signal engage all targets from the designated area. One hit per IPSC targets.

Targets: 10 IPSC

MAX points: 50

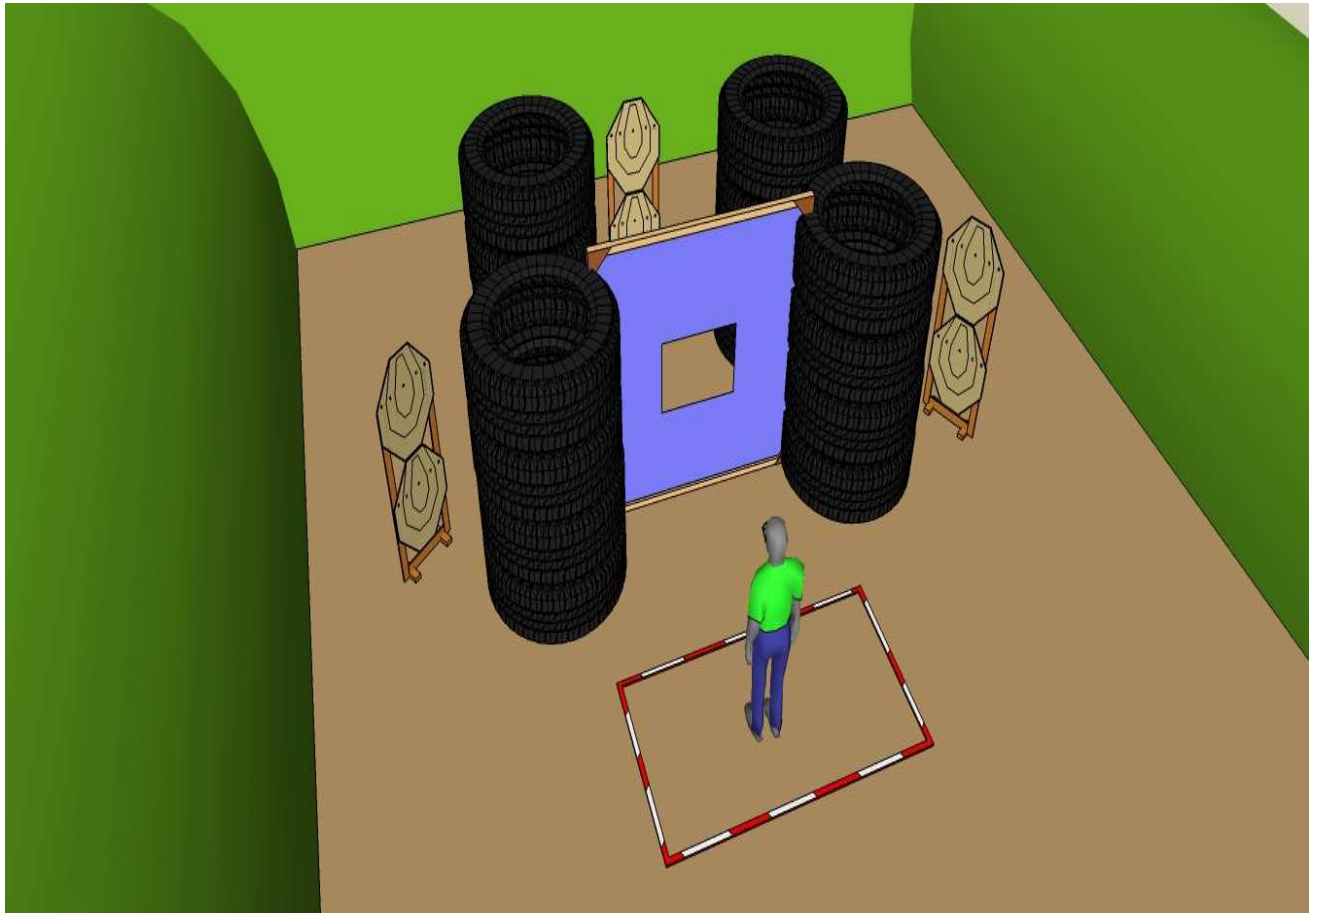

Min rounds: 10

Ready condition: Standing relaxed on the marks facing down range. Gun loaded and holstered

Safety angles: 90' degrees on the left and on the right sides 90' degrees up.

HOT SCORING!

STAGE 22

COF: Short course

Stage Procedure: After start signal engage all targets from the designated area. Two hit per IPSC targets

Safety angles: 90' degrees on the left and on the right sides 90' degrees up.

Targets: 6 IPSC

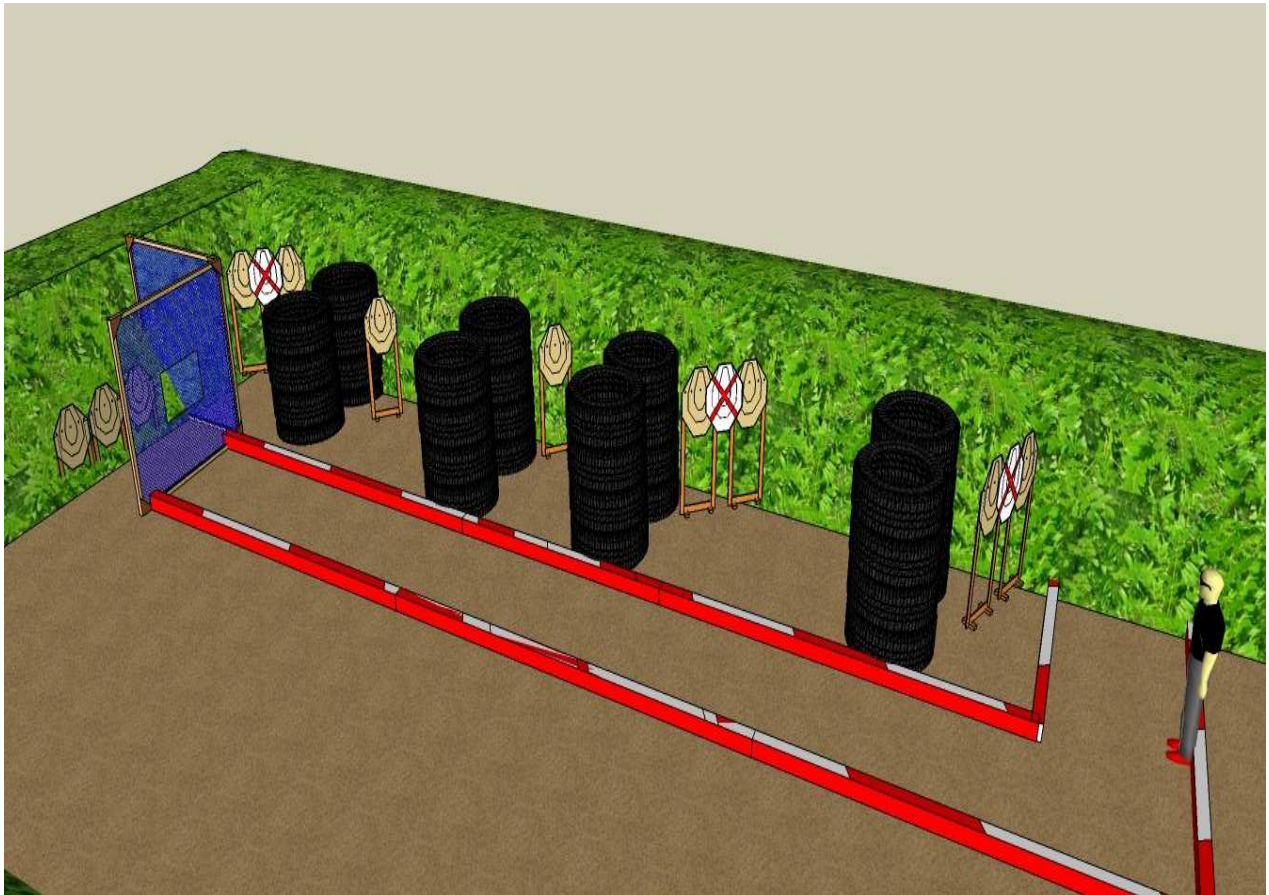

MAX points: 60

Min rounds: 12

Ready condition: Standing relaxed on the marks, facing down range. Gun loaded and holstered

HOT SCORING!

STAGE 23

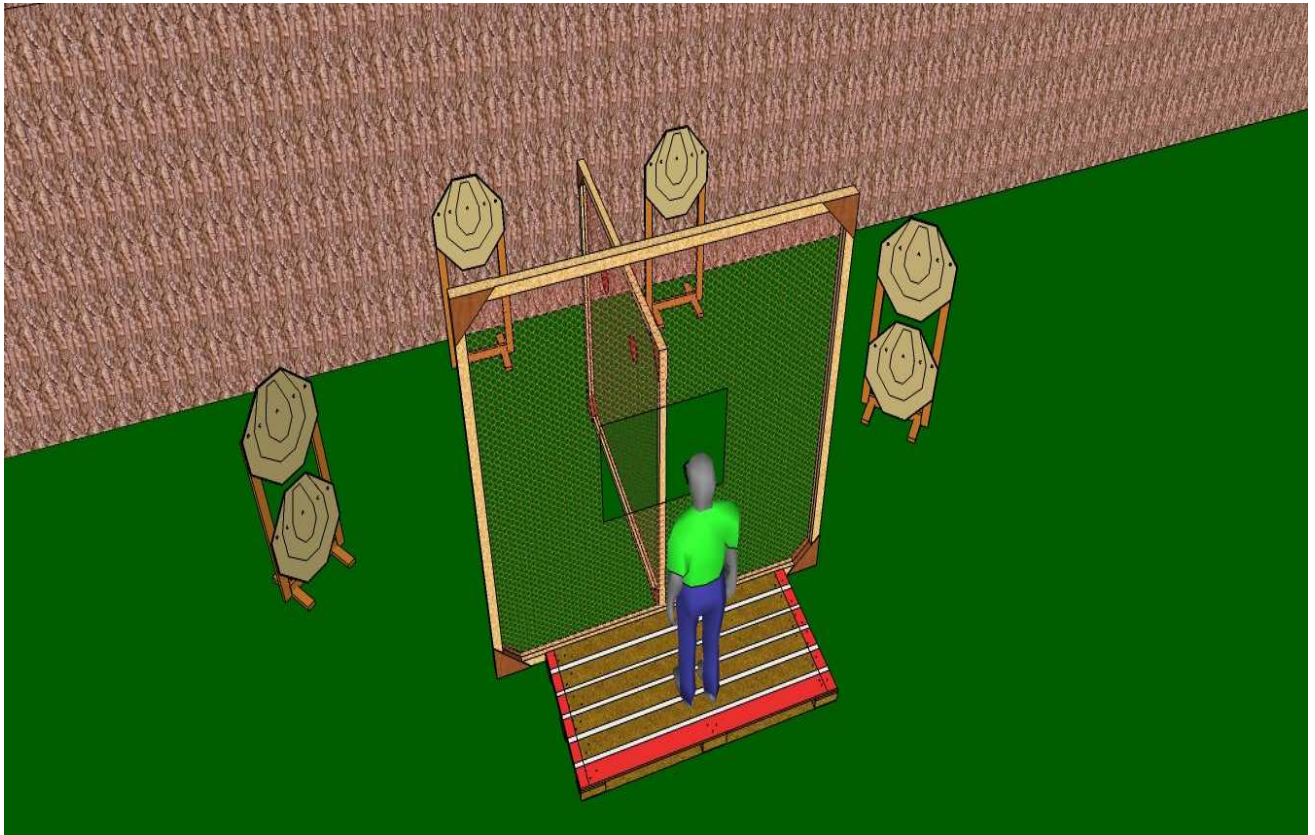

COF: Medium course
Stage Procedure: After start signal engage all targets from the designated area. Two hit per IPSC targets.

Targets: 11 IPSC
MAX points: 110
Min rounds: 22
Ready condition: Standing relaxed on the marks, facing down range. Gun loaded and holstered. Chamber is empty.

Safety angles: 90' degrees on the left and on the right sides 90' degrees up.

HOT SCORING!

STAGE 24

COF: Short course

Stage Procedure: After start signal engage all targets from the designated area. Two hit per IPSC targets. Metal must fall down.

Targets: 6 IPSC,

MAX points: 60

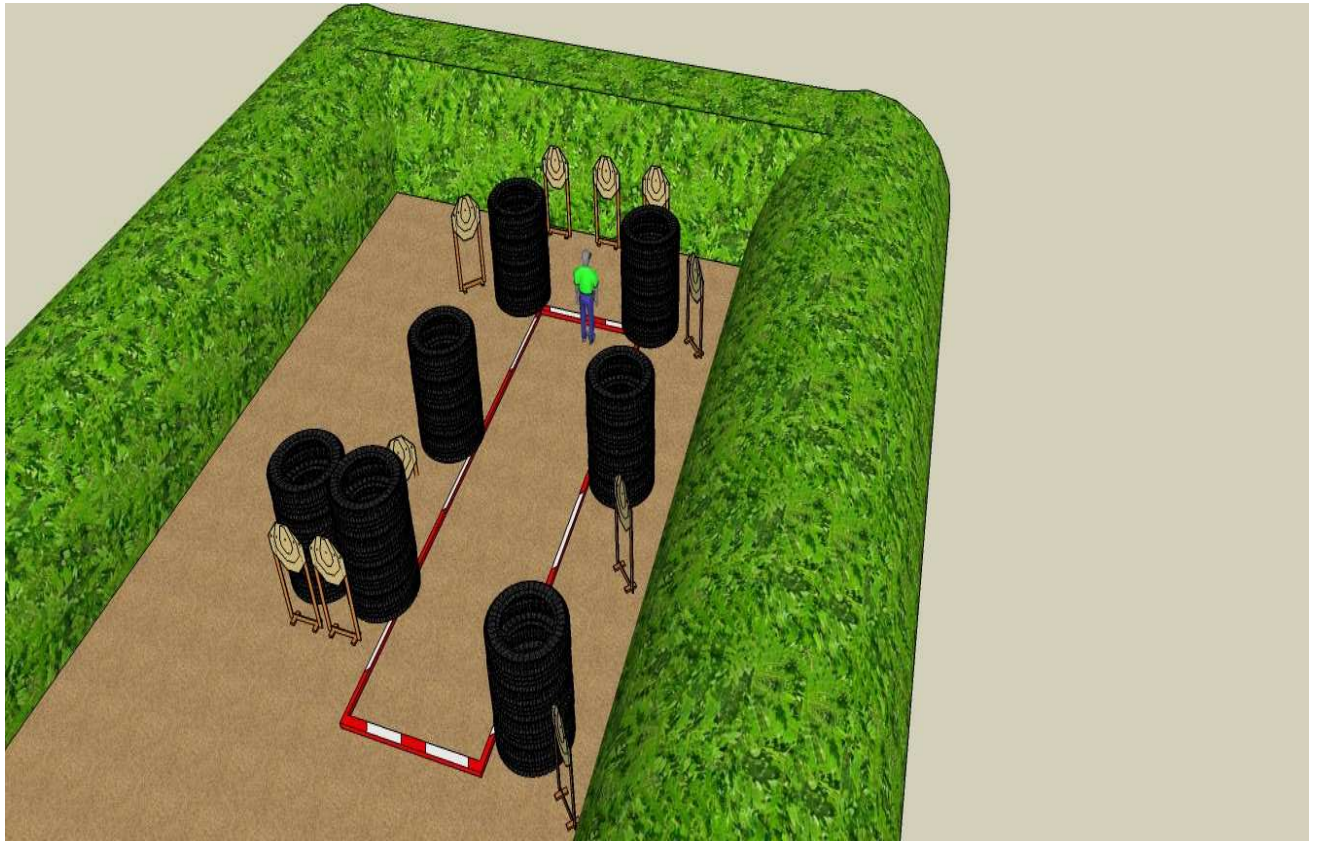

Min rounds: 12

Ready condition: Standing relaxed on the marks, facing down range. Gun loaded and holstered.

Safety angles: 90' degrees on the left and on the right sides 90' degrees up.

HOT SCORING!

STAGE 25

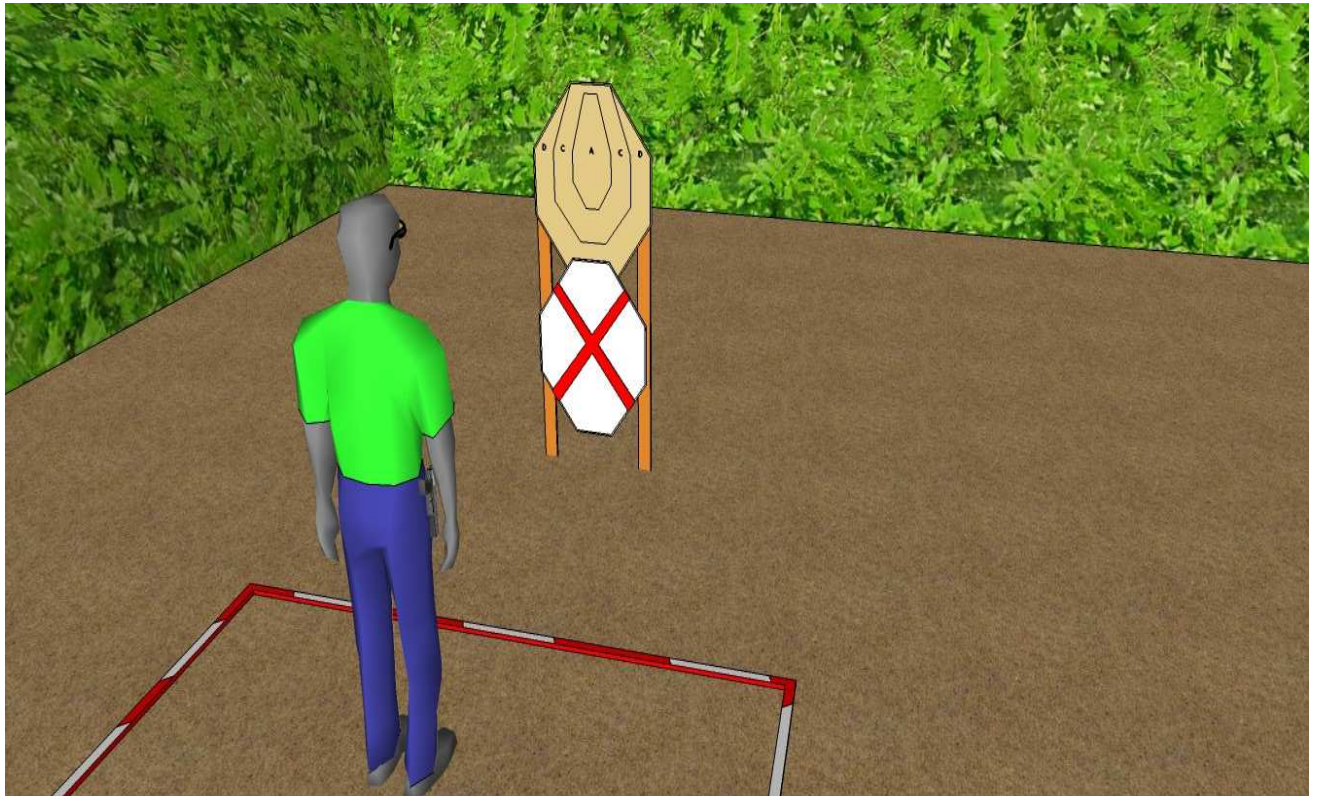

COF: Medium course
Stage Procedure: After start signal engage all targets from the designated area. Two hit per IPSC targets

Safety angles: 90' degrees on the left and on the right sides 90' degrees up.

Targets: 10 IPSC
MAX points: 100
Min rounds: 20
Ready condition: Standing relaxed on the marks, facing down range. Gun loaded and holstered

HOT SCORING!

STAGE 26

COF: Short course

Stage Procedure: After start signal engage all targets from the designated area. Six hit per IPSC targets

Safety angles: 90' degrees on the left and on the right sides 90' degrees up.

Targets: 1 IPSC

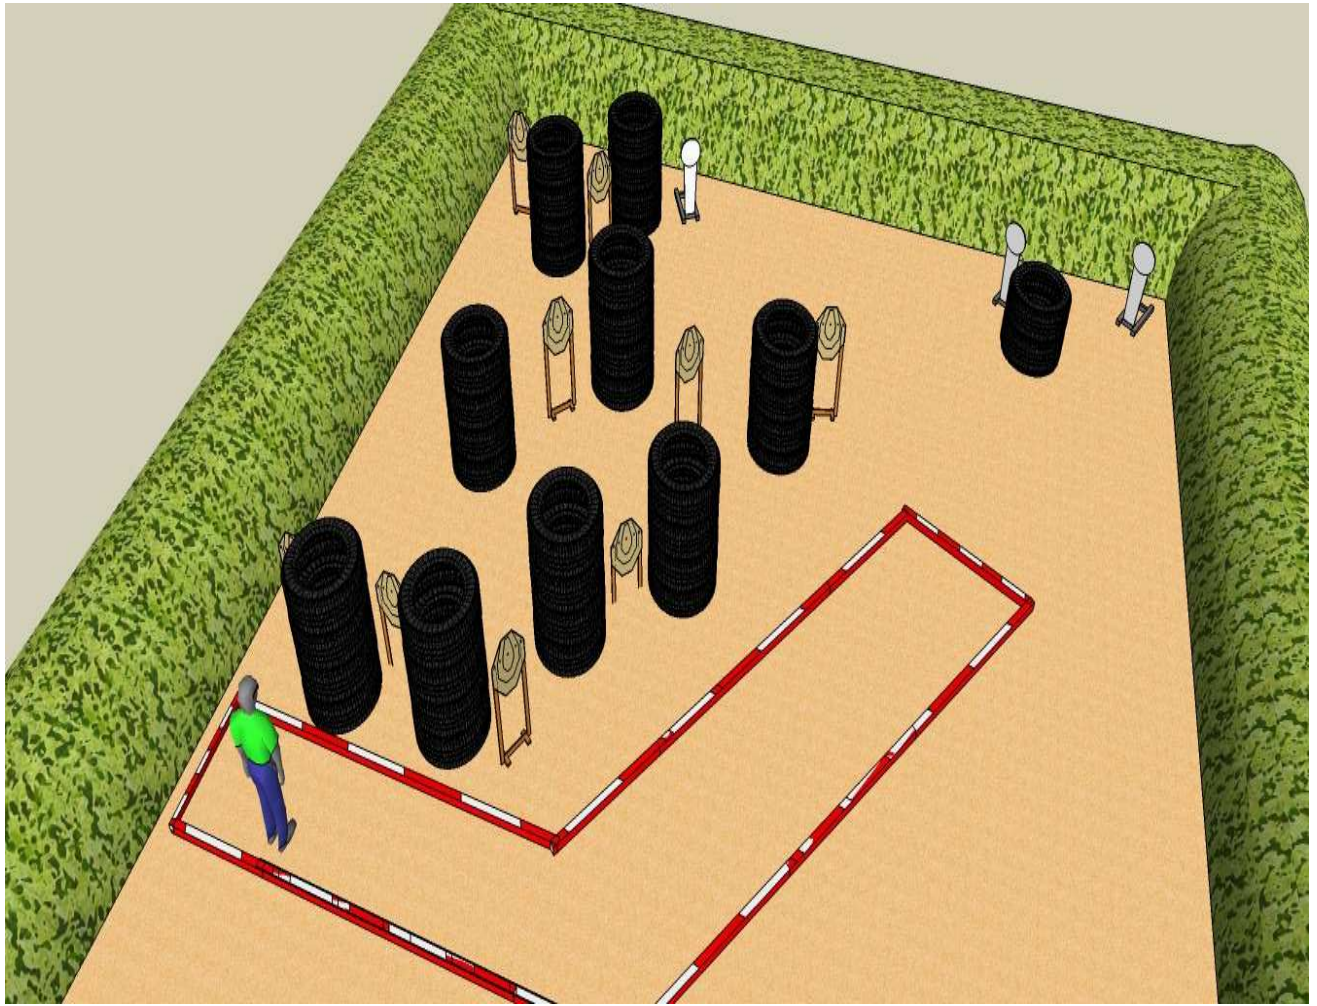

MAX points: 30

Min rounds: 6

Ready condition: Standing relaxed on the marks, facing down range. Gun loaded and holstered

HOT SCORING!

STAGE 27

COF: Medium course
Stage Procedure: After start signal engage all targets from the designated area. Two hit per IPSC targets

Safety angles: 90' degrees on the left and on the right sides 90' degrees up.

Targets: 8 IPSC, 3 CP

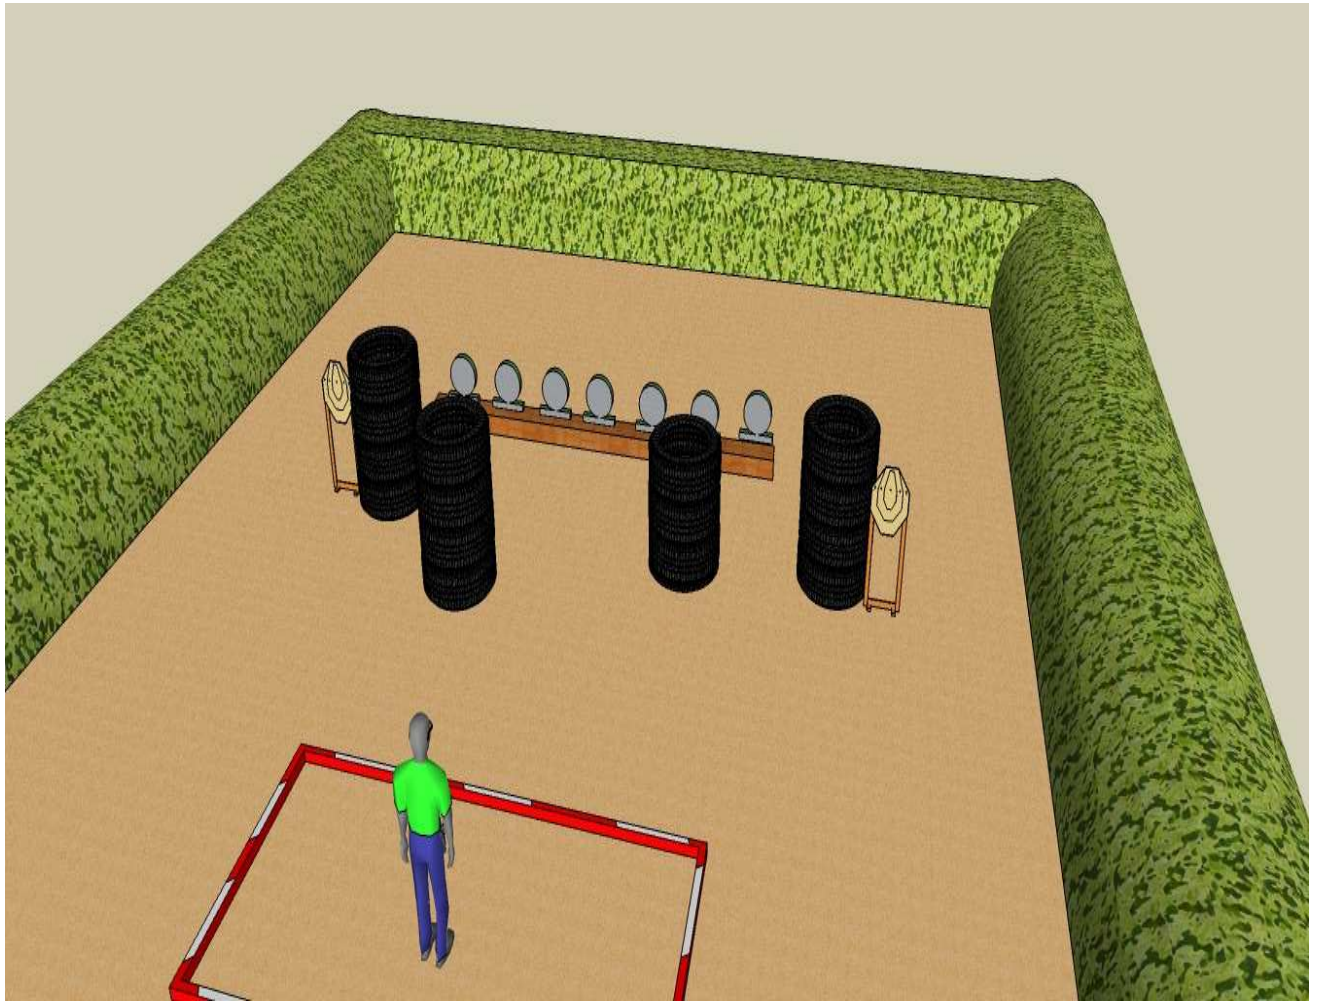

MAX points: 95

Min rounds: 19

Ready condition: Standing relaxed on the marks, facing down range. Gun loaded and holstered

HOT SCORING!

STAGE 28

COF: Short course

Stage Procedure: After start signal engage all targets from the designated area. Two hit per IPSC targets

Safety angles: 90' degrees on the left and on the right sides 90' degrees up.

Targets: 2 IPSC, 7 PL

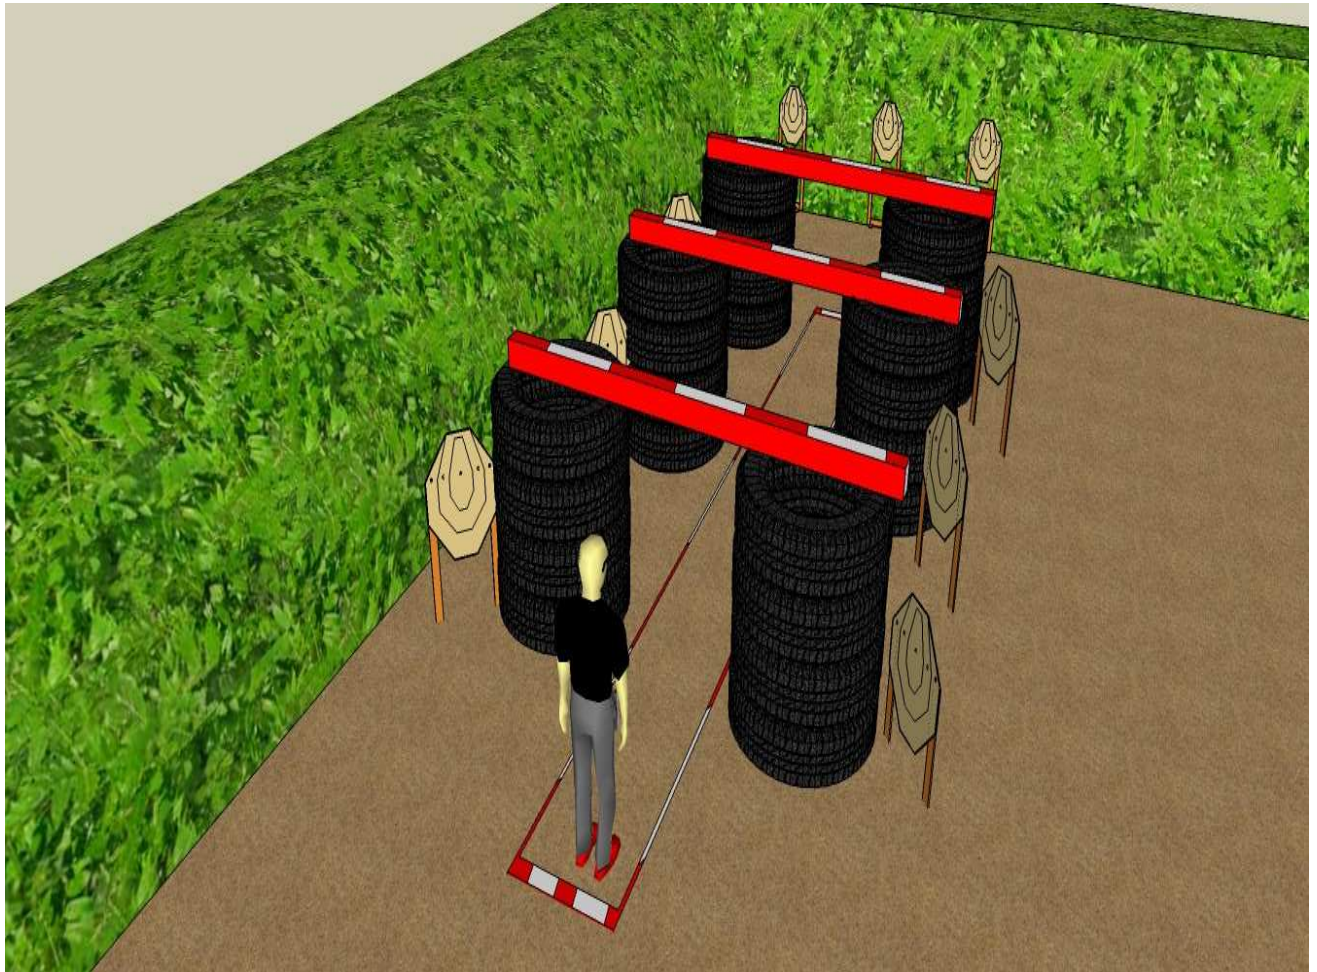

MAX points: 55

Min rounds: 11

Ready condition: Standing relaxed on the marks, facing down range. Gun loaded and holstered

HOT SCORING!

STAGE 29

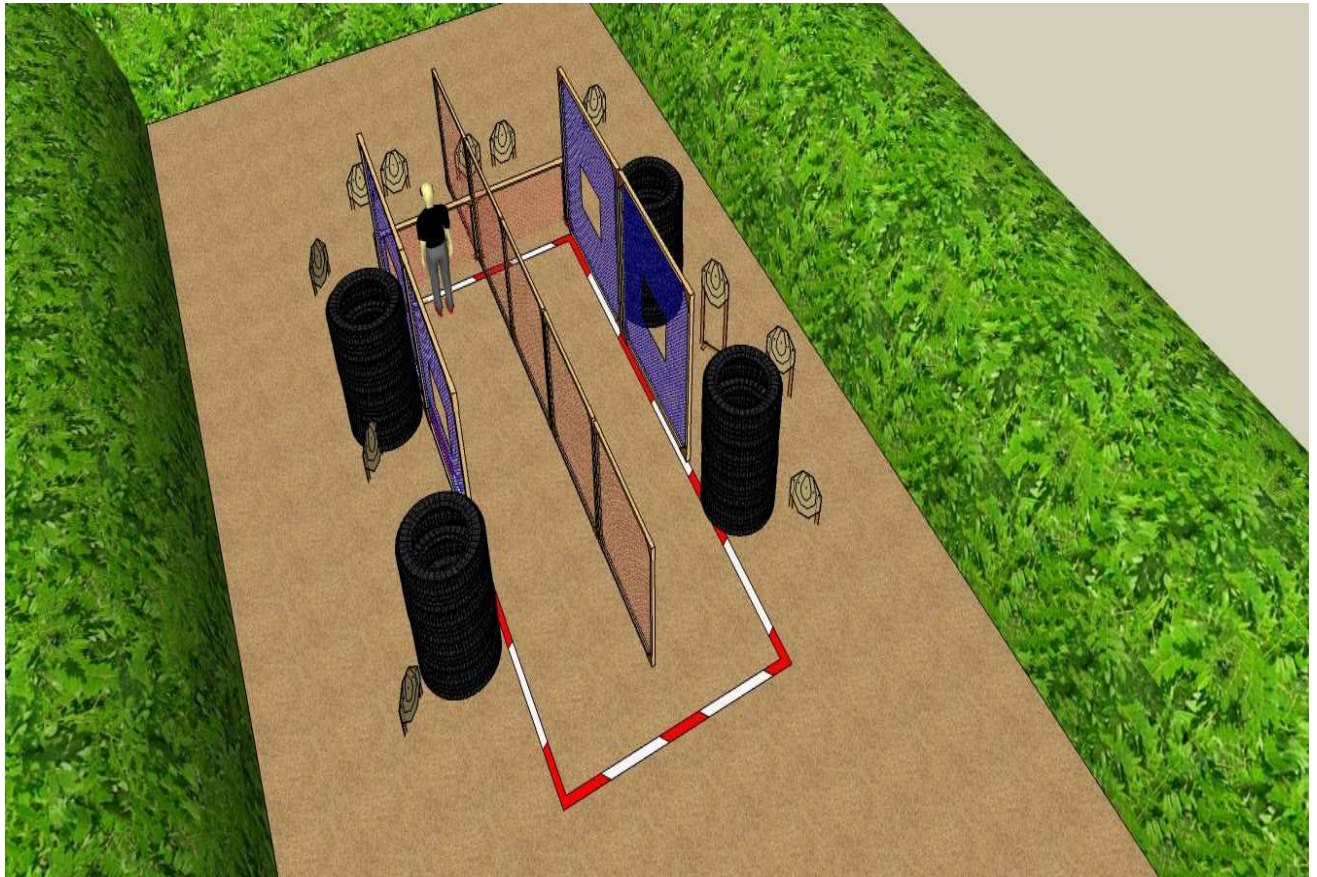

COF: Medium course
Stage Procedure: After start signal engage all targets from the designated area. Two hit per IPSC targets

Safety angles: 90' degrees on the left and on the right sides 90' degrees up.

Targets: 9 IPSC
MAX points: 90
Min rounds: 18
Ready condition: Standing relaxed on the marks, facing down range. Gun loaded and holstered

HOT SCORING!

STAGE 30

COF: Medium course

Stage Procedure: After start signal engage all targets from the designated area. Two hit per IPSC targets

Safety angles: 90' degrees on the left and on the right sides 90' degrees up.

Targets: 11 IPSC

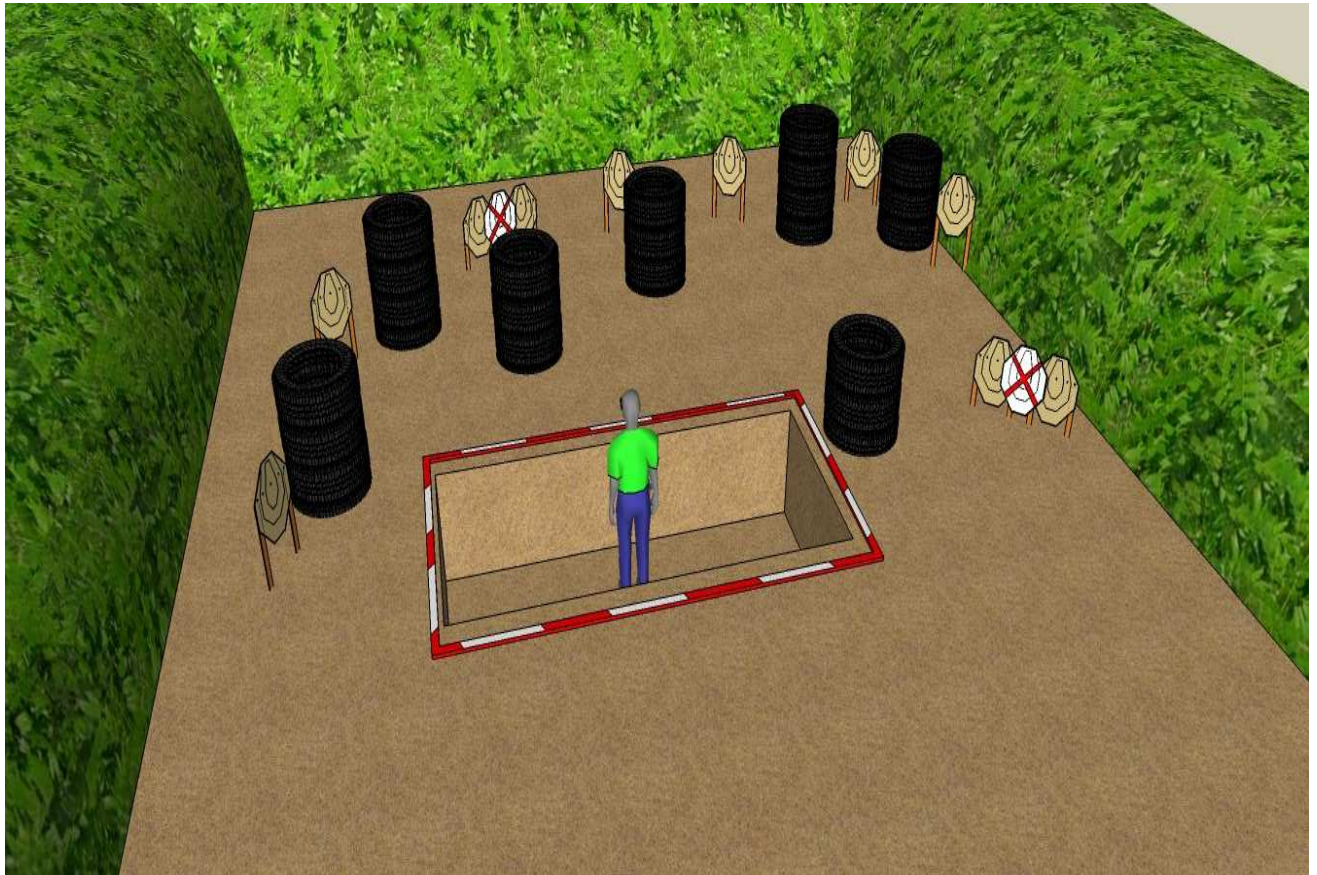

MAX points: 110

Min rounds: 22

Ready condition: Standing relaxed on the marks, facing down range. Gun loaded and holstered

HOT SCORING!

STAGE 31

COF: Medium course

Stage Procedure: After start signal engage all targets from the designated area. Two hit per IPSC targets

Safety angles: 90' degrees on the left and on the right sides 90' degrees up.

Targets: 10 IPSC, 2 NS

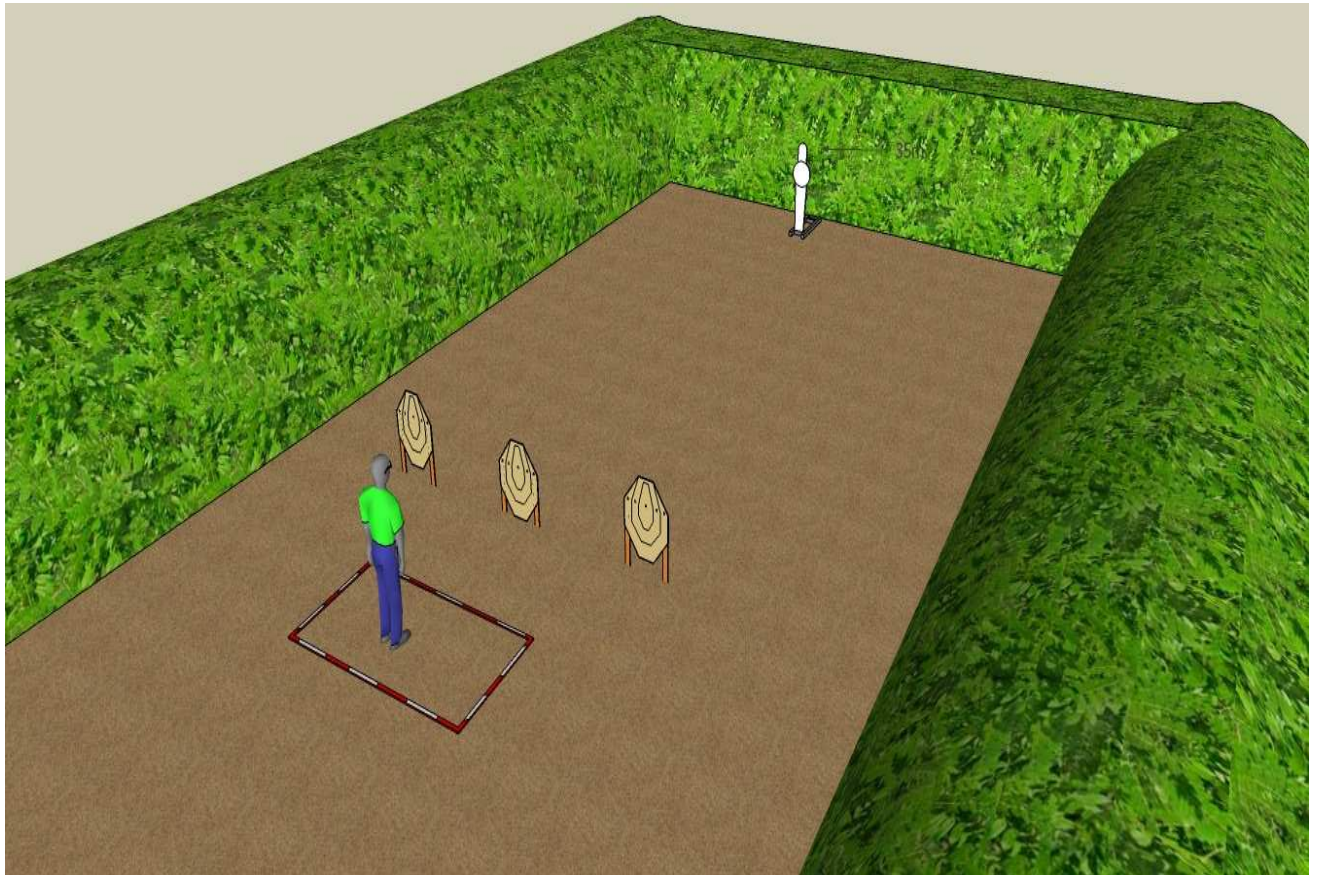

MAX points: 100

Min rounds: 20

Ready condition: Standing relaxed on the marks, facing down range. Gun loaded and holstered

HOT SCORING!

STAGE 32

COF: Short course

Stage Procedure: After start signal engage all targets from the designated area. Two hit per IPSC targets

Safety angles: 90' degrees on the left and on the right sides 90' degrees up.

Targets: 3 IPSC, 1 CP

MAX points: 45

Min rounds: 9
